10. Explain Co-maker

11. What is Credit check

LOAN ACCOUNT

12. When you want a house loan

The screenshot shows the IBM Watson Assistant interface. On the left, there is a sidebar with 'Actions' and 'Variables' sections. The 'Actions' section is expanded, showing a list of actions created by the assistant. The main area displays a table of these actions.

Name	Last edited	Examples
Greeting	14 hours ago	4
Loan	15 hours ago	1
End	14 hours ago	5
Savings	a day ago	1
Index	15 hours ago	1
End greeting	14 hours ago	3

Below the table, it says 'Items per page: 50' and 'Showing 1-9 of 9 actions'.

On the right, there is a 'Preview' window showing a conversation flow. The first message is 'Loan Enquiry'. The second message is 'go to Loan'. The third message is 'What type of loan are you looking at?'. The user has selected 'Housing Loan' from a dropdown menu. The fourth message is 'Housing Loan'. The fifth message is 'to be eligible for a house loan please contact our bank services providers with all existing loan details.'.
